Hands-on work : In subgroups, participants develop and draft all the documents required to set up and process an RFQ.

PARTICIPANTS

Purchasing employees, purchasing assistants, procurement officers.

PREREQUISITES

Aucune connaissance particulière.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.

ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

Do you need special accessibility accommodations? Contact Mrs. Fosse, Disability Manager, at psh-accueil@ORSYS.fr to review your request and its feasibility.

5) Monitoring purchases

- Compliance with deadlines.
- Organisation of supplier reminders.
- Acceptance: products, services.
- Invoice management.
- Incident and dispute management procedures.
- Maintaining the purchasing dashboard.

6) Developing your personal effectiveness

- Enhance your telephone skills.
- Prepare your telephone interview. Conduct an effective interview.
- Manage your priorities and organise your schedule.
- Coordinate your schedule with the buyer.
- The various tools to improve your organisation.
- Formalise an action plan.

Hands-on work : Role play: conduct a telephone interview with a supplier. Group debriefing.
