- Creation of the French Anti-Corruption Agency and its mechanisms of action.
- Obligation for companies to prevent corruption risks.
- Compliance enforcement and penalties associated with the SAPIN II law.

Group discussion : Identify the types of companies most affected by the SAPIN II law.

4) Implementing the Sapin 2 anti-corruption compliance program

- Developing and adopting a code of conduct.
- Mapping risks and assessing third party risks.
- Implementing accounting control procedures.
- Organizing in-company training for the most exposed managers and staff.
- Organizing a system for monitoring and evaluating the measures taken.

TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.

ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

Do you need special accessibility accommodations? Contact Mrs. Fosse, Disability Manager, at psh-accueil@ORSYS.fr to review your request and its feasibility.

- Setting up an internal alert system.

Key elements of the code of conduct. Key risk indicators and formalization of risk mapping.

Parts of the procurement policy that limit the risk of corruption. Whistleblowing if the ethical compliance system is violated.
